STORM RELATED TRASH PICK UP

BROCKTON- The Department of Public Works for the City of Brockton announced today that during the week of March 29, 2010 and the week of April 5, 2010 residents impacted by flooding as a result of the three day storm will be allowed to put out extra trash as part of their weekly pick up. Only Brockton residents that pay for city trash pick up are eligible to make an appointment for extra trash pick up.

The following procedures have been established for having storm related trash picked up:

Residents MUST call Allied Waste at 1-800-425-0095 or the Brockton Recycling Depot at (508) 580-7827 between Thursday, March 18, 2010 and Friday, March 26, 2010 to make an appointment for pick up and list the items to be picked up. Storm related trash items will be picked up the weeks of March 29th and April 5th on your regular scheduled trash day.

Rugs that are to be picked up curbside are to be cut and tied in 4 foot bundles weighing no more than 50 pounds. Sleep sofas need to be disassembled for pick up. All other trash pick up regulations apply.

In addition, starting today Thursday, March 18, 2010, roll off containers will be located at the Recycling Depot on 301 Oak Hill Way for residents interested in dropping-off their storm related trash. Picture identification is required for proof of residency. Rugs and carpets brought to the Recycling Depot will not be required to be cut up. City officials urge residents to take advantage of the containers at the Recycling Depot.

If you have any questions, please contact the Department of Public Works at (508) 580-7135 or the Recycling Depot at (508) 580-7827.
